THE STORM GATHERERS

Maelan Holladay

Uncover a sprawling fantasy world where allies are scarce and almost everyone will kill for power.

One day, my dear daughter, you will destroy the world.

After being forced from her home five years ago, Alana Zaya has finally been given the opportunity to return and claim her rightful place on the Okaron throne. When her voyage is waylaid by pirates, she soon finds herself stranded at sea, surrounded by strangers harboring dark secrets. But hers are perhaps the darkest of all.

Across the world, Rae Toma is a warrior who can't walk away from a fight. After years of using her skills to rebel against the regime that trained her, her treachery is revealed, forcing her to flee into the Shatter—a maze of islands that no one has ever returned from.

There, she finds Nur Del Sue, a Stormwitch on a mission to prove herself in a world determined to ignore her. Forced from their homes, can these characters survive long enough to uncover the deadly mysteries at the heart of their world?

THE DEVIL'S WALTZ

Jessi Elliott

Discover what happens when a young woman from a family of demon hunters falls in love with the half-demon prince of hell in this spicy paranormal romance.

It's been five years since her sister died on a demon-hunting mission. Five years since Camille Morgan swore off the family business. Now a college sophomore, Cami is determined to get her bachelor's degree in political science and move far away from Seattle and all things paranormal.

When she barely survives a demon attack thanks to the wildly charming and attractive Xander Kane, she's convinced the near-death experience is a stupid ploy—her parents' last-ditch effort to drag her back into training. Except her savior isn't a hunter. Or even human.

Xander is a demon. The crown prince of hell, to be specific. And he plans on using her to destroy all demon hunters once and for all.

Will she betray her family to gain her independence or will she fight back, risking everything—and everyone—she loves?

Jessi Elliott is a paranormal romance author who lives in Ontario, Canada with her adorable calico cat, Phoebe. When she's not working on her next book, she likes to hang out with friends and family, get lost in a steamy romance novel, watch Friends, and drink coffee. She is also the founder of the annual Wander Writers Retreat, and signed her self-published titles at Apollycon 2023.

HEIRS OF BONE AND SEA

Kay Adams

Fall in love with a powerful princess and feisty young queen masquerading as a pirate as they form an uneasy alliance to end the war between their kingdoms.

Climb the tower. Kill the princess.

Evhen, princess—no, queen—of Vodaeard, is on a revenge mission. After witnessing her parents' brutal murder by the king of Marama and the horror of his undead army, she's vowed to kill his daughter. It'll be poetic justice and also take away his supernatural edge in the war. But when she realizes the princess might be an ignorant pawn, she changes course and hides her royal identity—after all, she can't trust an enemy, no matter how beautiful she is.

Stay alive. Break the curse.

Princess Kalei of Marama is moon-blessed, allowing her to resurrect her kingdom's loyal subjects. But when she's attacked in her safe lighthouse by a fiery pirate, her worldview is shattered once she learns what her power is really being used for. Determined to prove her innocence and willingness to stop her father, she has no choice but to trust her would-be killer to safely deliver her to the Vodaeardean princess. But who can she trust in when it seems Captain Evhen is not the only one who wants her dead?

"[Heirs of Bone and Sea is a] series-opener brimming with blood and longing."

- Kirkus recommended review.

Kay Adams is a fantasy author living in big-city Ontario, surrounded by a massive TBR pile and an equally massive teapot collection. A graduate of the University of Toronto's Celtic Studies program, Kay began weaving worlds and creating characters using a mix of folkloric fascination and celestial curiosity. When she isn't writing, she can be found scrolling TikTok until her time limit runs out, existing in the same vicinity as her two cats Goose and Ducky, or staring at her rainbow library until a book she wants to read magically materializes—except the books she really wants to read are the ones she's writing.

A DIAMOND BRIGHT AND BROKEN

Holly Davis

Discover the founder of Diversity is Lit Bookclub's debut where one girl's magical power is both a gift and a curse.

Sixteen-year-old Cadence was born with the ability to cry tears of diamonds—a secret talent her parents have abused to climb the royal ranks thanks to the infinite source of wealth. At their command, she cries diamonds to pay for the pricey treatments for her sister's neuromuscular disorder. Regardless of the pain, she'll do anything for her sister, who weakens by the day.

When the prince heckles Cadence at the King's Summer Solstice Ball about her sister's disability while dancing in the ballroom, she's left on the verge of tears, threatening to expose her power. She is saved by a mysteriously charming girl who sweeps in to take the next dance—and the single diamond Cadence cried. The stranger reveals the Magi Queen sent her to tell Cadence that she's a mage, and that her power is a curse.

Yearning to discover the secrets behind her powers, Cadence sets off for the City of Magi. To claim the life she wants, Cadence must embrace her power—before she loses the bright spots in her otherwise sad existence. After all, even diamonds can shatter.

Holly Davis is a kidlit author who started her writing journey as a child, often drawing the book cover and only writing a couple of chapters. In high school, she wrote fanfiction for the video game, Kingdom Hearts, before eventually wanting to write stories of worlds and characters all her own!

Now Holly gives writing advice and interacts with the online community via her YouTube channel. She's also a [Page Turner Young Writer Awards](#) judge and the host of the [Diversity is Lit Book Club](#), which promotes BIPOC authors.

You can find her in the Chicago suburbs helping people in the hospital as a physical therapist, enjoying the company of her two babies who have fur, and binging Netflix shows.

CHANTAL GADOURY

UNTIL THE LAST PAGE

Chantal Gadoury

Discover what happens when a young woman unexpectedly finds herself inside a book of fairytales where she is charged with breaking a frog prince's curse and searching for a way home.

Every good fairytale begins with "Once Upon a Time," or they're supposed to at least. But for twenty-five year old Josephine Hart, her "Once Upon a Time" began with crash landing her way literally inside of a book of fairy tales after reading a loud scribbled phrase on a page, and nearly crushing a frog—who is actually a prince. An annoying, snarky frog prince named Aneurin, seeking the kiss of true love to break his curse. He vows that if Jo agrees to help him find his princess, he will get her home.

With every turn of the page, their adventure leads them deeper into fairytales familiar to Jo. Through their journey, they discover that despite their initial clashing, they're both exactly what each other needs. It is only when they encounter a devious man with a talent for spinning straw into gold, that they realize just how quickly their plot can take an unexpected twist.

THE BLOOD-CURSED

Samantha Traunfeld

Continue Saiden's journey as she navigates the perilous political landscape of Kazia and beyond as allies—old and new—try to keep their world from falling apart.

When Saiden made her choice between her best friend and her queen, she knew life in the kingdom of Kazia would never be the same. But she wasn't prepared for how it would personally affect her—and make her break her vow to never be anyone else's monster again.

Desperate to be a good partner to Saiden, especially after all his past betrayals, Mozare must begrudgingly team up with allies who almost certainly have their own agendas. Can he trust they have Saiden's best interests at heart? Does he have a choice?

In the explosive sequel to *The Legionnaire*, which Kirkus called a "grim, passionate tale that will scorch readers," relationships are tested, new villains are revealed, and tensions are raised to new heights.

Samantha's love of stories began when she was about 12—could read a whole book in a day and wrote lots of stories featuring cute ghosts. Now she writes stories about badass women, sharp weapons, and banter-y relationships.

When she isn't writing she's usually cuddling her dog, starting a new craft project she might not finish, or trying to figure out how video games work.

There's a 94.6% chance you can find her curled up in a bookstore somewhere (math is not her strong suit), but if you don't, you can find more information on her website.

THE CLIFFS OF WAYWARD

Veronica King

Follow Lore as she sets off to the Cliffs of Wayward with her mouse friend Mathilde in search of a way to restore magic to Thimbleton and finally get home.

Still eager to get home, but now saddled with an obvious souvenir of her magical adventure in Charmsend, Lore Deoradán is bound for another adventure with the sassy mouse, Mathilde, and now some new friends since she first fell down the well on her grandmother's property.

Now tasked with healing all the magic in the world—no pressure—Lore and her companions must learn to trust each other, confront one of their own's shady past, and survive climbing the grand Cliffs of Wayward.

Delve deeper into the world of Thimbleton, as Veronica King continues “excel[ling] at establishing settings” (as Kirkus praised in its review for *Down The Well*), weaving complicated relationships, and exploring the all important question of: does your past define you?

Kelli Wright (Veronica's true name) has a deep imagination, and a sail filled with ambition for the sea of opportunity ahead. As a teen, Kelli loved consuming all media about far-off magical worlds.
